**Subject: Endorsement of CNG/LPG kit through CNG VAHAN SEWA reg.**

Sir/Madam,

I am directed to refer to subject mentioned above and to say that in order to keep track of CNG/LPG kits fitted in the vehicles, Ministry of Road Transport & Highways has developed a module namely CNG VAHAN Sewa.

2. CNG VAHAN Sewa is a module for CNG / LPG kit manufacturers to upload the inventory details which will further be linked to the vehicle in which it has been fitted. This module has been running smoothly in Delhi for last two years.

3. It is requested that this module may be implemented across the State/UT for retro fitment of CNG/LPG kits to ensure safety and compliance of standards as mandated under rule 115 of the central Motor Vehicle Rules, 1989.

Yours faithfully,
